Sportfolio™ DUO for MacBook Air™

Product Specifications Sheet

Description:

The Sportfolio Duo from Marware is a colorful, reversible neoprene sleeve for MacBook Air. Available in four beautifully vibrant, reversible color combinations, the Sportfolio Duo is a fun, hip, protective companion for your MacBook Air. Because it's reversible, it's like having two sleeves in one! The stylish vertical design is form-fitting, has no zippers, and is great for hand-carrying your MacBook Air, or as an added layer of protection inside a backpack, briefcase, or bag. Show off one color combination today—flip it inside-out and show off another tomorrow!
